

Note Attempt all the questions.

Qus-1 Read this passage and answer the following questions

Newspaper have a very important place in our lives. If we were to live without newspapers we would be in the dark. We would never know what is happening in our own country and the world. Newspapers are the greatest source of information to us. They report incident of importance that occur daily in various corners of the country and the world. No doubt there is T.V. and radio, But their reports are biased

The newspapers give us the correct picture of the social, culture, economic and business scene in the world. If there were no newspapers we would never learn about the various changes that are taking place in various spheres and also who or what cause these changes. Knowledge gives us strength to tackle problems and knowledge and information is best provided by newspapers.
